

INCLUSION FOR OUR COMMUNITY

- Who's missing?
 - Did we really "advertise"?
 - How long is too long?
 - Do you want feedback or just "yes" to your idea?
 - Do you want to work together or just "no" to what you disagree with already?
 - Are you bringing together the community as a whole or who you think should be welcomed?
-
- Pro-Active Solicitation
 - Not everyone wants to "meet"
 - Different ideas to address an issue
 - When it feels like there's no agreement or consensus
 - Rebranding to reflect what our community wants going forward
 - Priority & Preference

COMMUNICATION

- Words matter - choose wisely.
- How you say it is just as important as what you say.
- Short answers can lead to large breakdowns in communication!
- Not everyone checks their email regularly
- Social media can only go so far.
- Are you listening to understand or to respond?
- Asking is better than assuming
- Name the harm, not name call
- Is this the time or place?
- Did we say it in the best way that those listening comprehend?

THINGS TO CONSIDER

HOW CAN WE COMBINE OUR MUTUAL EFFORTS OR
COMPLIMENT EACH OTHER IN ACHIEVING COMMON GOALS?

ARE WE MISSION/VISION ALIGNED?

DO WE AGREE ON WAYS TO ACHIEVE COMMON GOALS?

DOES IT MATTER IF THERE IS OVERLAPPING?

WHAT OR WHO DO YOU KNOW THAT OTHERS DON'T KNOW?
